Aaand check out the awesome pull-out in the middle of the mag with 50 things to do... whatever the weather! Send your pics and news to: blueymagazine@immediate.co.uk

WELCOME TO...

CREEK

What's your creek called? Write the name here. (You could put 2 words together like your fave colour + your fave flower.)

Hey, why not do a real leaf rubbing here? Just lay the white bit over a leaf, and rub over it with a crayon.

Draw yourself on this stepping stone.

How about a yabby here?

STORY

DIRT

If you wanna play outside,
sometimes you gotta get dirty!

1

Judo is having her hair washed. It takes a long time... but her mum Wendy says it's important. Chow Chows are known for their long, lovely coats!

WIDE
BRUSH...

FINE
BRUSH...

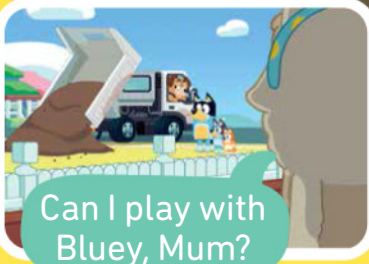

RINSE...

CONDITION...

SHAMPOO...

DRY...

FINISHED!

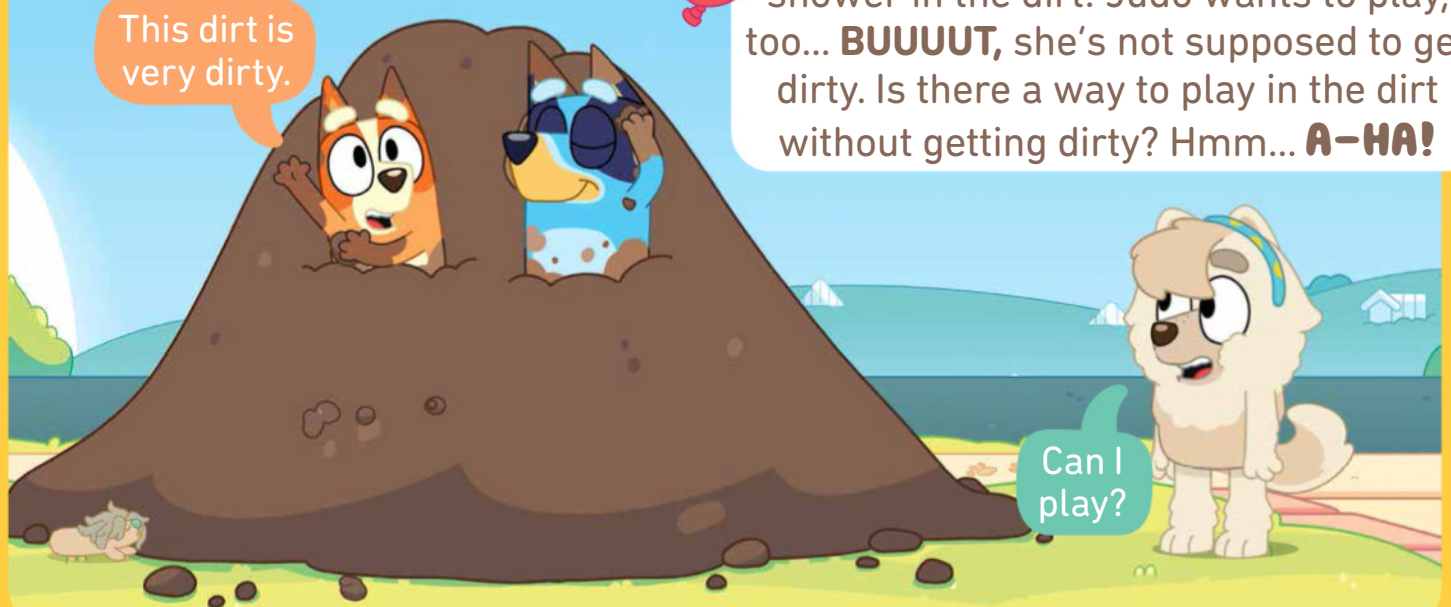

Can I play with
Bluey, Mum?

Now she can go and play. Outside, a truck is dropping a **big pile of dirt** off at the Heeler house next door. Judo asks if she can play with Bluey. "Yes – just don't get dirty!" calls Wendy.

2

Bluey and Bingo are pretending to shower in the dirt! Judo wants to play, too... **BUUUUT**, she's not supposed to get dirty. Is there a way to play in the dirt without getting dirty? Hmm... **A-HA!**

This dirt is
very dirty.

Can I
play?

You ready?

3

Judo sits inside a tray so she doesn't get dirty. Bluey and Bingo pull her all the way up to the top of the pile, then slliiiiide her down. Woo!

Judo wants another go... **BUUUUT**, it's too hard to pull her all the way up again.

4

Bluey and Bingo show Judo their **DER DER DER DERRRRR** game where they run and jump into the dirt.

It looks fun... **BUUUUT**, Judo says, "I'm not sure I could do **THAT** without getting dirty."

Der der der derrrrr...

5

Bluey and Bingo make Judo a dirt-proof suit with lots of layers. She tries playing in it... **BUUUUT**, it's a bit hard to run in all that stuff.

Judo, are you **SURE** you can't get dirty...?

6

Judo runs home to ask her mum, "Why is it that I can't get dirty again?"

We have such long hair, it takes so long to clean. **It's just easier** not to get it dirty in the first place!

Yeah... I guess that makes sense.

7

When Judo gets back... Dad makes mud! Bluey and Bingo play in the mud, Judo wants to play too... **BUUUUT**, the mud will make her dirty. "I might just go home," she sighs.

Wendy, can Judo play in the dirt with us?

Oh... well... **yes**. Judo can play.

"Really?!" asks Judo. "I want you to have fun sweetie," Wendy smiles. But Judo isn't sure, and walks sadly back to her house.

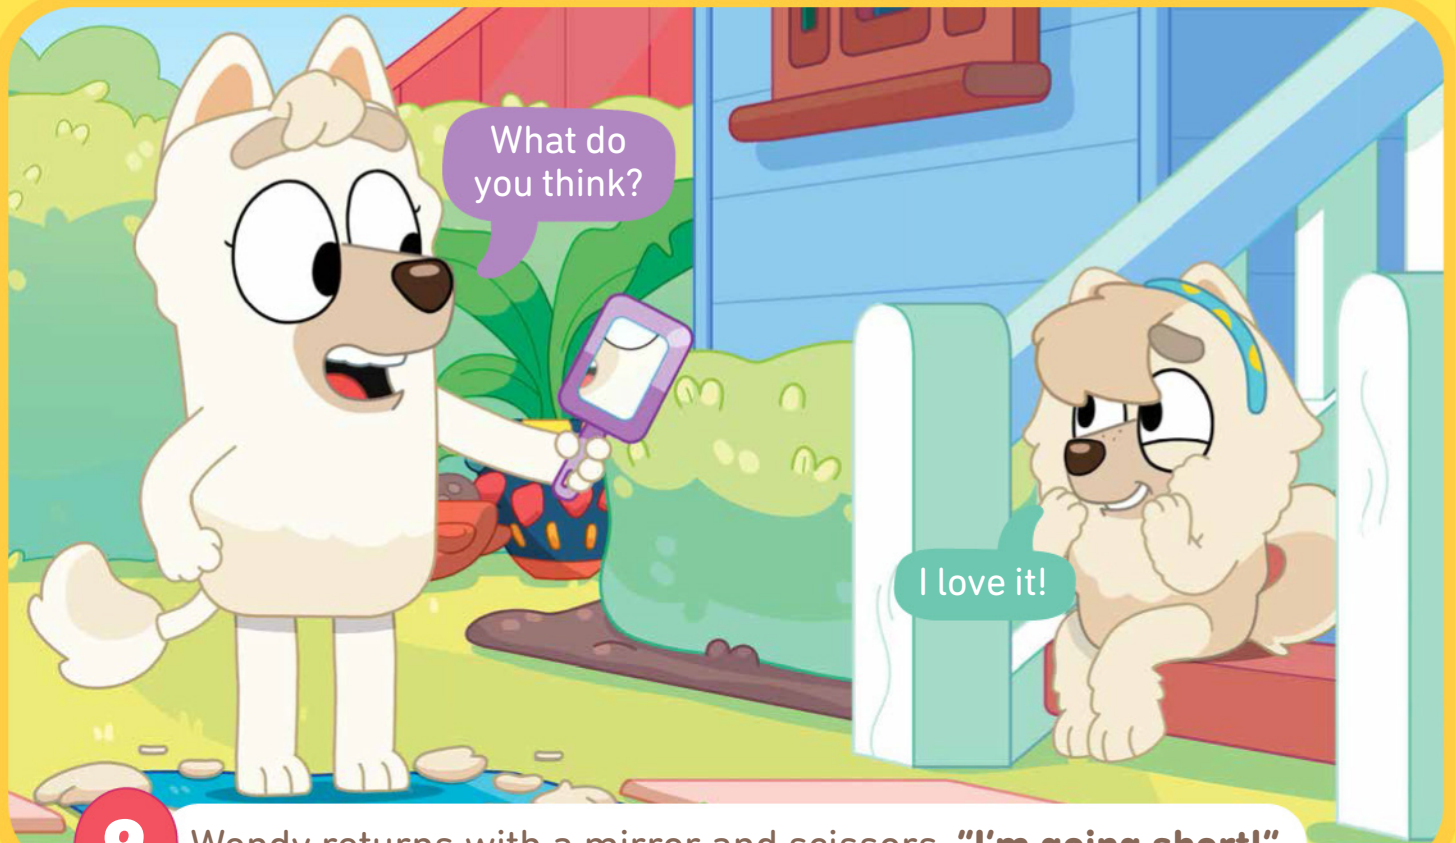

SPLOSH

8

Wendy asks Judo why she doesn't want to play in the dirt. "It's **important to play** and have fun," she says. "But what about my long, lovely coat? It takes so long to clean," says Judo. "Oh yes... I said that, didn't I," says Wendy.

Oh, fiddlesticks. I'll be right back, sweetheart.

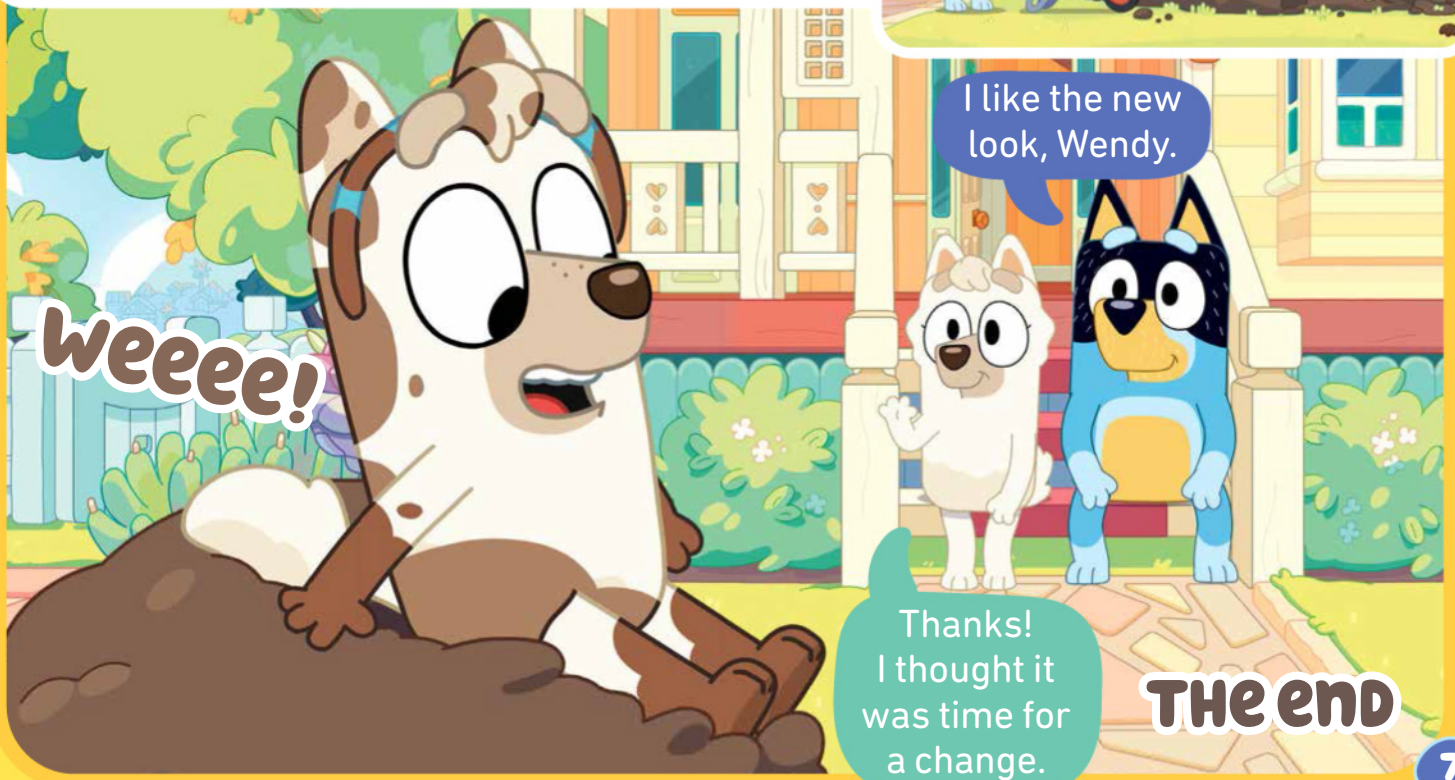

9

Wendy returns with a mirror and scissors. "I'm going short!" she says, and starts snipping her long, lovely coat. Judo is amazed... and excited! "Can you do me?" she asks.

10

"DER DER DER DERRRRR!"

Judo has a haircut, then jumps right into the dirt with Bluey and Bingo – **SPLAT!** They make dirt angels, enjoy a mud spa, make a twisty-turny slide and have the best fun EVER.

THE SHOW

Snip and stick to make up your own show! Too easy.

1. PROPS & ACTORS

Ask a grown-up to cut out the bits'n'bobs opposite. Stick them to ice block sticks (or pencils).

2. STORY STARTER CARDS

Snip out the cards below. These will help you to invent your stories. Put them in a pile face down.

3. IT'S SHOW TIME!

Pick a story starter card and read it out. Grab any of your actors and props to start the action!

4. HOW TO DO IT

Act out what's on the card with your actors and props, e.g. if the card says, 'At the creek...' you could grab Bluey and the canoe. The next card might say 'Along came a..' then you choose something like the potoroo or even Unicorse. Pick as many cards as you like until you finish your show... then do another one!

BOX

YOU WILL NEED:

- a cereal box
- safe scissors
- sticky tape & glue
- cotton wool
- string & cardboard roll
- pens & paints
- foil
- a grown-up to help

1 Ask your grown-up to cut along 3 of the 4 sides of your cereal box so the front flaps down (this is the ground). Paint the back blue for the sky (add cotton wool clouds). Paint the ground bit green and draw or stick on a grey path as we have done. Stick down foil to make splishy, splashy puddles.

2 To make the rainbow, cut out the strips opposite and colour them in. Fold along the dotted lines and stick each end inside the box at the back in a rainbow shape, from smallest to biggest. Too easy!

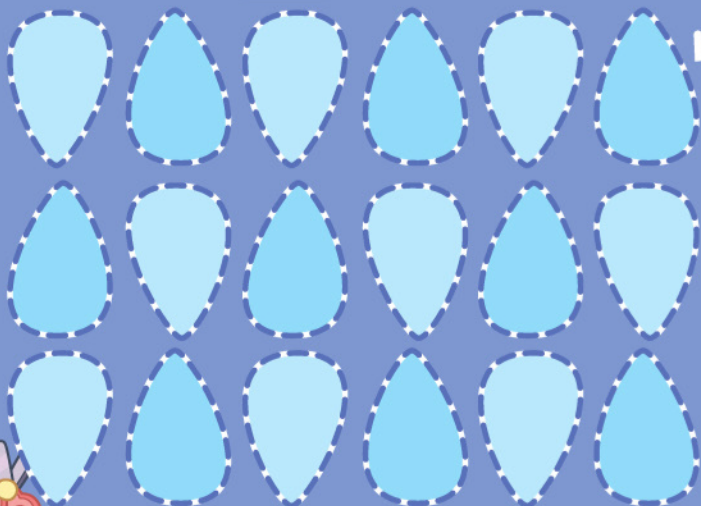

3 Snip out and stick these raindrops onto string and hang them down from the top of the box.

4 Cut out Bluey and Mum, then stick them to a cardboard roll so they can look at the rainbow. Ahhh!

TOP TIP

Add building blocks by folding little strips of cardboard and painting them in bright colours, like this:
